Passage 1

Although they're still the lovely young kitten or pup in our minds, your pets need extra care as they reach their senior years. Here's our list of suggestions to keep them happy and healthy for as long as possible.

Foodie

Keeping your pet's diet healthy and nutritious (有营养的) is very important at any stage of their life, but as they become old, they need a different set of vitamins and minerals. Different sizes and breeds of pets will have different needs, so it's worth a quick chat with your vet to discover what they would recommend.

Gym membership

Although they may seem tired and slow for outdoor activities, this doesn't mean they shouldn't keep exercise any more. You don't have to drag them on a 10-mile uphill hike, but encourage your pet to get out into the fresh air. The sights and smells should inspire their natural urge to trot about and explore again. If they're lazy, try small indoor games and toys that will keep their mind active.

Fit not fat

If you're feeding your pet healthy foods in appropriate sized portions (分量) and making sure they're getting enough exercise, you shouldn't have an overweight friend at your side. However, if you still think they need to lose a few pounds, you can discuss with your vet how to help them lose weight and keep a healthy weight.

The dreaded vets

Not many people enjoy a trip to the doctors and it's certainly the same for your pet. But regular checks at the vets can prevent minor health issues from getting more and more serious.

Older pets should be taken to the vet at least once every six months. On your next visit, ask your vet what common issues usually affect their particular breed (种类) such as arthritis (关节炎) or diabetes (肥胖症). You can then be more careful when taking care of them.

21. What is the main topic of the article? _____

- A. How to choose a pet at the pet shop.
- B. Some tips of looking after old pets.
- C. Differences between kittens and puppies.

22. As your pets get older, the vitamins and minerals they need are _____.
A. the same as they were fed in the past
B. less than those when they are young
C. different from those they used to have
23. Which is NOT TRUE according to the article? _____.
A. Old pets shouldn't keep exercise any more.
B. Fresh air will inspire old pets' natural urge.
C. If old pets are lazy, just leave them still at home.
24. According to the article, you can discuss with _____ how to help your aged pets keep fit but not fat.
A. your vet
B. your kids
C. your friends
25. Older pets should go for regular checks at least once _____.
A. every half a year
B. every year
C. every month

26—30 题: 请根据短文内容判断给出的语句是否正确, 正确的写“T”, 错误的写“F”, 并将答案写在答题纸上。

Passage 2

The Wichita Falls Police Department is trying to help curb crime in neighboring communities throughout the city. On Saturday Wichita Falls Police gave a free two-hour presentation to help locals keep their community crime free.

More than 20 people showed up at the Martin Luther King Center in east Wichita Falls to be part of the presentation.

Wichita Falls Police Officer Jeff Hughes said that they wanted to make sure the folks out there were aware they were doing everything to take away the opportunity from a bad guy.

Hughes reminded those in attendance that their homes outside the presentation could be an open invitation to criminals. One of the biggest ways to prevent crime, according to Hughes is to use CPTED. Also known as Crime Prevention Through Environmental Design.

"The biggest site, that we are dealing with now, that we are endorsing fully, is Nextdoor and it's simply just *nextdoor.com*,"

The site is free and helps locals set up a Virtual Community that they can interact with from the comfort of their own home.

"With *www.nextdoor.com* it all happens in a web based program where if you send something out it gets to that group or that person instantly, they will get an alert on their phone or an email," said Hughes.

According to Hughes, he has already seen a positive impact locally from the site and hopes it can continue to expand in Wichita Falls.
